### Qu'est-ce que ELFF?

Apprentissage précoce pour les familles (À vos marques, prêts, apprenez)

« Destiné aux familles et à leurs enfants de trois à cinq ans, Ready, Set, Learn vise à favoriser des liens positifs entre les familles, le système scolaire et les organismes communautaires locaux. » (Ministère de l'Éducation de la Colombie-Britannique)

## Apprenez-en davantage sur l'importance de l'apprentissage précoce

British Columbia
Early Learning Framework

**Enquête vivante :** Bien-être et appartenance

Favoriser un sentiment de bien-être et d'appartenance soutient les enfants dans leur apprentissage et leur exploration du monde qui les entoure. (ELF, p. 66)

**Enquête vivante :** Communication et littératies

Les enfants utilisent divers modes de langage expressif pour communiquer des idées, participer aux relations et donner du sens à leur vie à la maison et dans leur communauté. (ELF, p. 66) Enquête vivante :
Engagement avec les autres, les matériaux et le monde :

Les enfants construisent du sens en interagissant avec les matériaux, les autres enfants et les adultes, l'environnement, la communauté et le monde. (ELF, p. 66)

**Enquête vivante :** Identités, responsabilité sociale et diversité :

Une identité personnelle et culturelle positive repose sur la conscience, la compréhension et l'appréciation de tous les aspects qui contribuent à une perception saine de soi. (ELF, p. 66)

### DEVELOPMENTAL MILESTONES: 3-5 YEARS OLD

Developmental milestones are checkpoints in your child's physical, cognitive and behavioural growth. It is important to be aware of certain milestones in your child's development, but it is not something that you should place intense focus on. For example, between 3 and 5 years your child will be galloping, catching large balls and should show good changes of direction. Being aware of these milestones allows you to understand if your child is on the right trajectory, or if a particular milestone may be missing or significantly delayed, then to seek professional advice.

Below is a list of major milestones that typically appear between 3 and 5 years with a focus on physical and motor development.

### Physical development

- Developing the balance needed for standing on foot consistently
- · Can stop and change direction
- Able to hop without putting the other foot down 5 times
- · Starting to learn to move sideways
- Can confidently ride a balance bike
- · Catching a ball with reminders to keep their hands together

### Cognitive development

- · Begins to understand opposites
- Still focuses on self and does not understand tag games larger than one versus one
- · Very inquisitive, will ask lots of questions

### Social development

- · Enjoys being silly and silly songs and words
- Enjoys cooperative play

### Où trouver l'heure et les dates des prochains événements ELFF

### You and your family are invited to **ELFF** night! (Early Learning for Families)

At Glenrosa Elementary School 3430 Webber Road, West Kelowna April 10th from 4:00pm-5:30pm

At this event, we will...

- Build community with other families whose children will be attending kindergarten in the fall
- · Enjoy supper together and some social time
- · Learn together while the children
- · Play together with your children
- Pizza provided
- · Take a goodie bag home

ELFF is a program for parents of 3 to 5 year old children, who do not yet attend school. It is

designed to improve their success in literacy, numeracy, and self-regulation at school and to build connections between home and school. When parents are involved in their children's education, their children do better.

ELFF is free of charge for all members of your family.

Please RSVP by Tuesday, April 1st by calling the school at 250-870-5142, or email kendyl.whiskin@sd23.bc.ca with the information requested below.

### Central Okanagan Public Schools **Early Learning for Families**

Do you have a 3-5 year old preschooler? The Central Okanagan Public School District welcomes your family to participate in our Early Learning for Families (ELFF) events. Each elementary school hosts an ELFF event to foster early and positive connections with children and their families. Building the home-to-school connection can help create a gentler transition when your child joins us for kindergarten.
